

THIRD PARTY FUNDRAISING EVENT FORM

Project Self-Sufficiency of Loveland-Fort Collins is grateful for the generosity of so many members in our community who commit their own time and money to organize a fundraiser in support of our 501c3 nonprofit. If you are interested in hosting your own third party fundraising event to benefit Project Self-Sufficiency, we welcome the chance to offer you guidance to help make your third party fundraiser a success. Your dedication is an important part of the philanthropic support that adds value to our mission. In order to maximize the success of your third party fundraiser, please submit this plan at least 30 days prior to your event to:

Daniela Morzos, Development Director; 970-829-5316, daniela@bringthepower.org
