

Welcome 2024 Event Sponsor!

On behalf of Project Self-Sufficiency of Northern Colorado, we are excited to share an opportunity for your valued support at our upcoming event - Bring the Power Social.

Our mission is to help low-income, single parents achieve economic independence and build strong, healthy families. The Bring the Power Social is a crucial fundraising event that fuels our efforts to break down barriers and empower families on their journey to self-sufficiency.

The event, scheduled for March 22, 2024, aims to gather 300 individuals who share our commitment to making a positive impact. By sponsoring the event or contributing to our live auction, you directly contribute to our mission and help us provide essential resources to those facing significant challenges. We invite you to consider various sponsorship levels, each offering unique benefits that showcase your commitment to social responsibility. Additionally, contributing items to our live auction adds an exciting element to the event while promoting your brand to a diverse and engaged audience.

If you are interested or need more information about sponsorship opportunities or live auction item contributions, please reach out. Thank you for considering this partnership, and we look forward to the possibility of creating positive change together.

Warm regards,
